Dear Sir:

Will you please do me the kindness to inform me in what year the receipt of silver deposits at the mint for coinage was discontinued? Silver was thereafter received at the N.Y. Assay office ^{only} for conversion into bars.

The Gold deposits containing silver, both metals would be, at first, received for coinage; but, later, such silver was returned also in bars only.

As my memory serves, it was during 1862, 3, or 4. Having silver coined, and later ^{deposits were,} received in stamped bars, I desire to obtain the above date.

Your reply will much oblige yours

Respectfully, P. Hartmann
